

St. Luke's Lutheran Church Summer Hymn-Sings

In the summer months of June, July, and August will we be offering hymn-sings in place of the organ prelude at the 10:15 liturgy on Sunday. This year, with the new hymnal in place, we ask that your selections be made exclusively from the ELW so that we can become better acquainted with this superb resource. You'll find that many of your favorites have been restored and included in the new book, as well as some wonderful new pieces well worth adding to our repertoire.

Please print out this page and detach the following portion with your selections. You may provide this sheet to the parish office where selections will be included in the Hymn-sings as they are received. Please contact the Director of Music if you have any questions, or need assistance in your selections: 299-2621.
